AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

January 27, 2003

Sir:

The following amendments and remarks are respectfully submitted in connection with the above-identified application in response to the Office Action mailed November 25, 2002 containing a Restriction/Election requirement.

IN THE CLAIMS:

Please amend claims 1-4, 7, 11-14, 17, 20-23, 26, 30-32, 35, 39-41, 44, 48-50, 53, 57-61 to read as follows. Note that the full text of all claims (including those not being amended within this paper) may also be included to provide the convenience of a complete set of claims for easy review:

1. (Amended) A perimeter frame attachable to a perimeter of a substrate on one of a perimeter-side and a die-side of the substrate, the perimeter frame including at least one electrical structure electrically connectable to the substrate.
